CHS EAGLE COUNTDOWN

The sophomores begin another "long" wait as they order their rings.

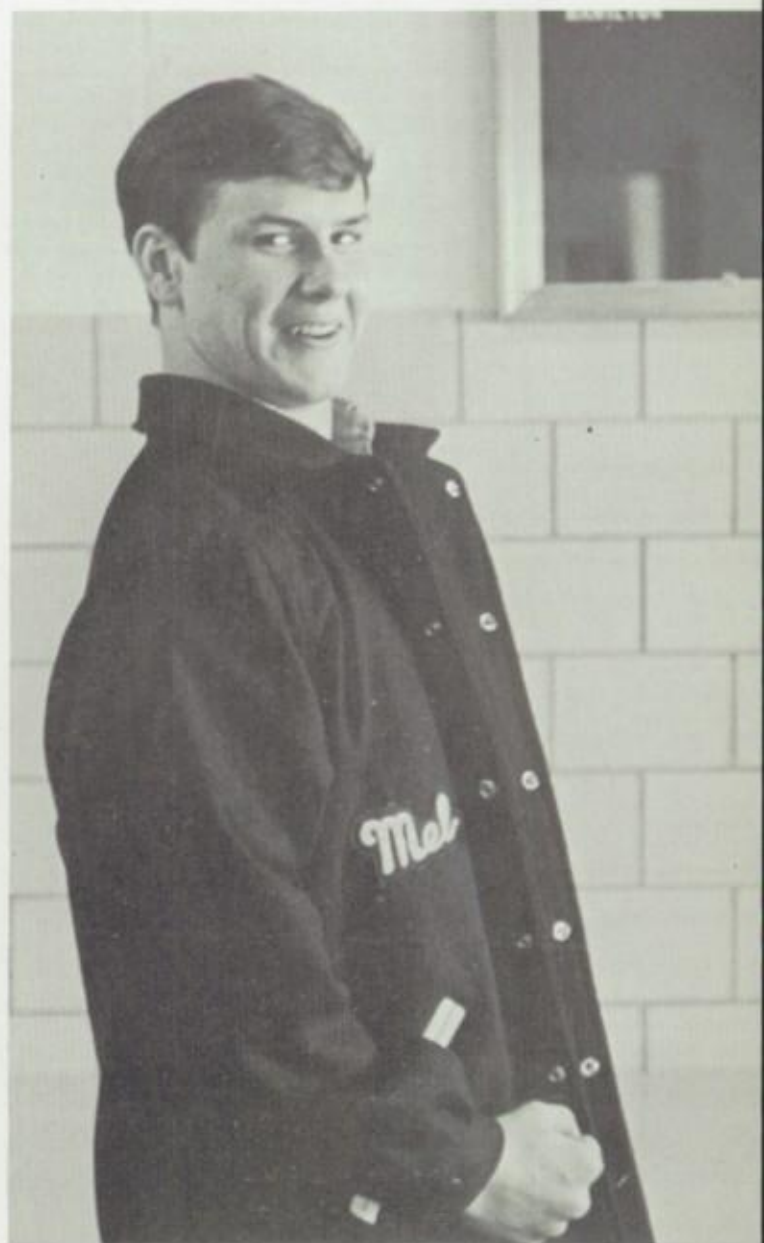

Traditions Sweep CHS

The girls of '70 display their uniquely decorated cords.

Every year the classes are joined closer together by traditions such as: jackets, rings, and cords. The sophomore class enjoyed the long-awaited event in receiving their jackets. The sophomore class ordered their rings in the spring and they received them at the beginning of their junior year. The seniors made cords and decorated them to wear to ballgames. They printed their favorite sayings and names on their cords. It was not uncommon to walk down the hallway and see such sayings as, "back off", "It's a small world", and "Jerry says", on the back of senior cords.

"Nothing but cool," exclaims Mel as he models a sophomore jacket.

The neighbors look on as Dale Duncan gets chewed out by his father, Jim Read.

Many seniors participated in the senior play entitled "Too Many Dates." This comedy took many hours of practice and the play cast had fun working as a group together.

Big audiences attended both Thursday and Friday nights. Miss Krider, our director, put in much time to make the play successful.

Chorus Premieres Variety Show—1970

Barbara Bunn and David Macy argue as the dirty old man flirts with the old woman.

The Choral Department presented the first Variety Show at Churubusco High School this year. The New Era sang patriotic songs, the What Nots sang songs of the Roaring Twenties, Bill Fogle gave a ventriloquist act and Connie Dafforn sang a special number. The Chorus closed the show by singing songs from "Music Man."

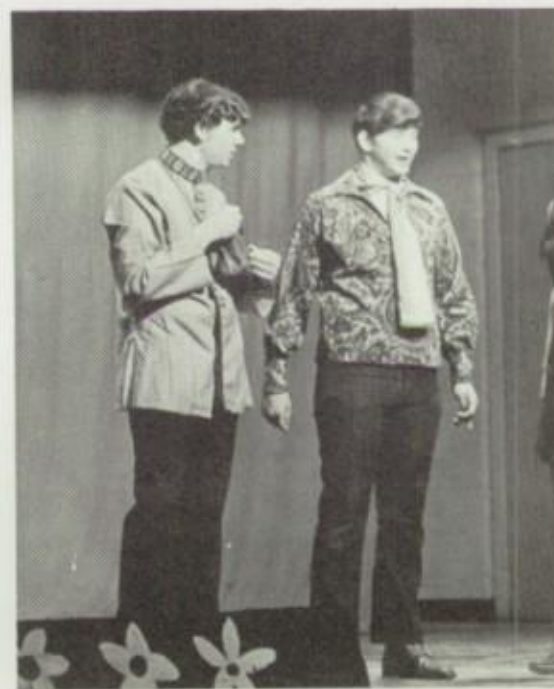

This turned out to be the biggest event of the year. The Art Club also took up much of their time to make props and different scenery.

Bill Fogle and his dummy, Jerry, add a lively conversation to the Variety Show.

The New Era—Rex Bonar, Connie Dafforn, Huey Hazen, Susie Herron, Mona Rae Feist, Rex Carter, Delara Zolman, and Rick Bonar sing a patriotic salute at the Variety Show.

The junior-senior prom entitled, "Fantasy of the Sea" was put on by the junior class in honor of the senior class. The princess court consisted of Karen Salesman, Connie Dafforn, Debbie Gaff, Anne Riecke, and Diane Sheets. The new princess and the next year's reigning queen is Debbie Gaff. Ellen Hardacre and her court were honored with a special dance and roses were presented to her by Dale Duncan. The New World Quartet from Concordia High School entertained the students with special music.

Skin diver, Rex Carter, dug up the prophecy and it was read by Karen Salesman. Master of Ceremonies was junior class vice-president Ed McEowen. The theme colors were aqua and sea foam green. The gym was decorated to give the effect of an underwater world. At 12:30 the prom ended by showing the movie, "The Great Race."

The class of 1970 stands proudly waiting to be declared graduates.

The senior class at Churubusco High School reached the long awaited climax of their twelve years of school. The class of '70 marched through the gym doors in sapphire blue gowns. Harriett Ross was valedictorian, with Pam McCoy as salutatorian and JoAnn Honeywell, Bonita Romine, Marcia McEowen, Penny Ruckman, Sandi Fulk, and Becky Troyer as honor students.

Baccalaureate services were held on Sunday, May 24. The senior chorus members sang "Let There Be Peace on Earth" and the special speaker was Reverend Morris Hackworth.

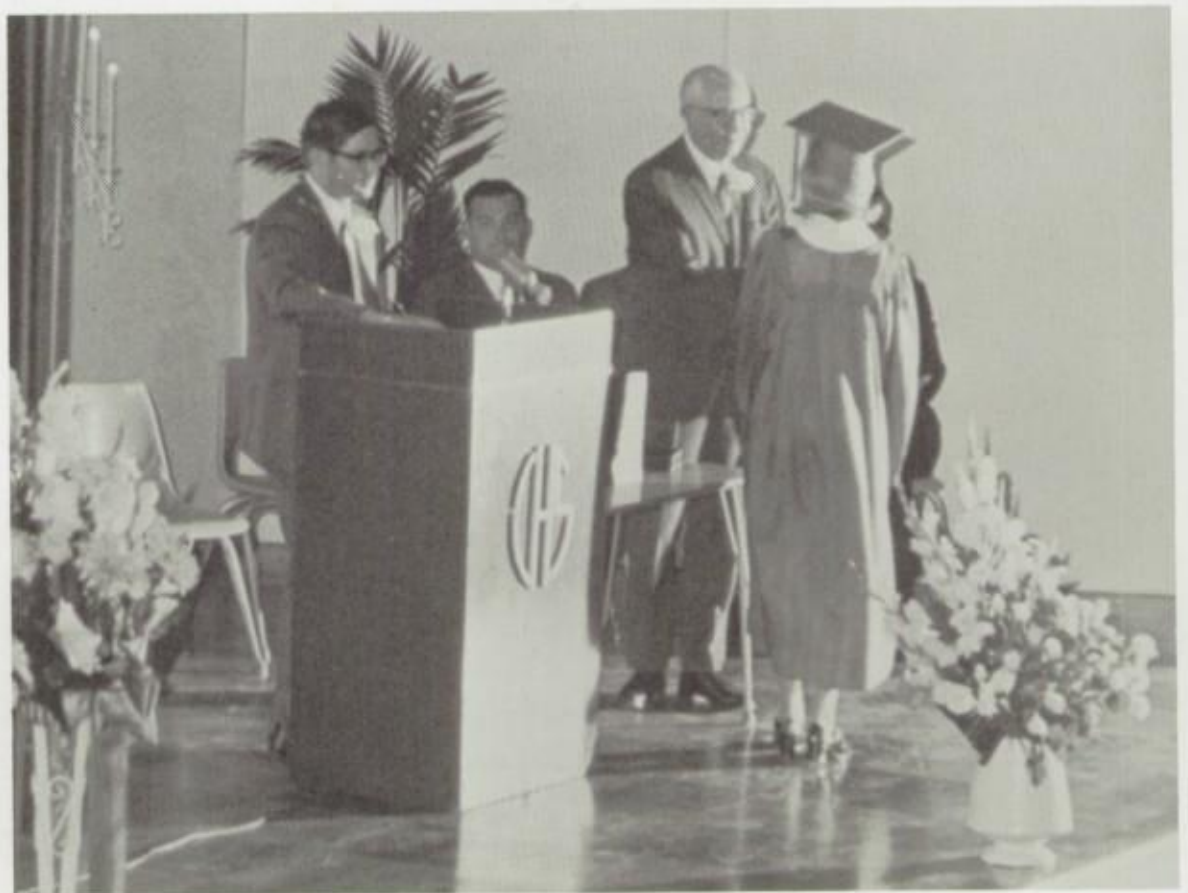

On Monday morning, the seniors came back to school for Recognition Day. Jackie McConnell received the Charles White Nursing Scholarship, Tom Blackburn won the Lions Club Athletic Hall of Fame Award, Harriett Ross received the LaVerne Noyes and Hoosier Scholarships, Jodi Mathieu and Marcia McEowen won the John Phillip Sousa band award, and Rick Bonar won the outstanding chorus member award. Many other awards and scholarships were given.

Commencement services were held on Tuesday, May 26, at 8:00 p.m. Mr. Kirkpatrick was the special speaker of the evening. Many seniors went out the doors filled with joy and many other seniors went out with tears in their eyes. Some of the seniors are going to college, some are getting married, and some will be working daily to earn their living. Although each senior will be going on his separate way, they will still try to carry out the class motto—"Our future lies within ourselves."

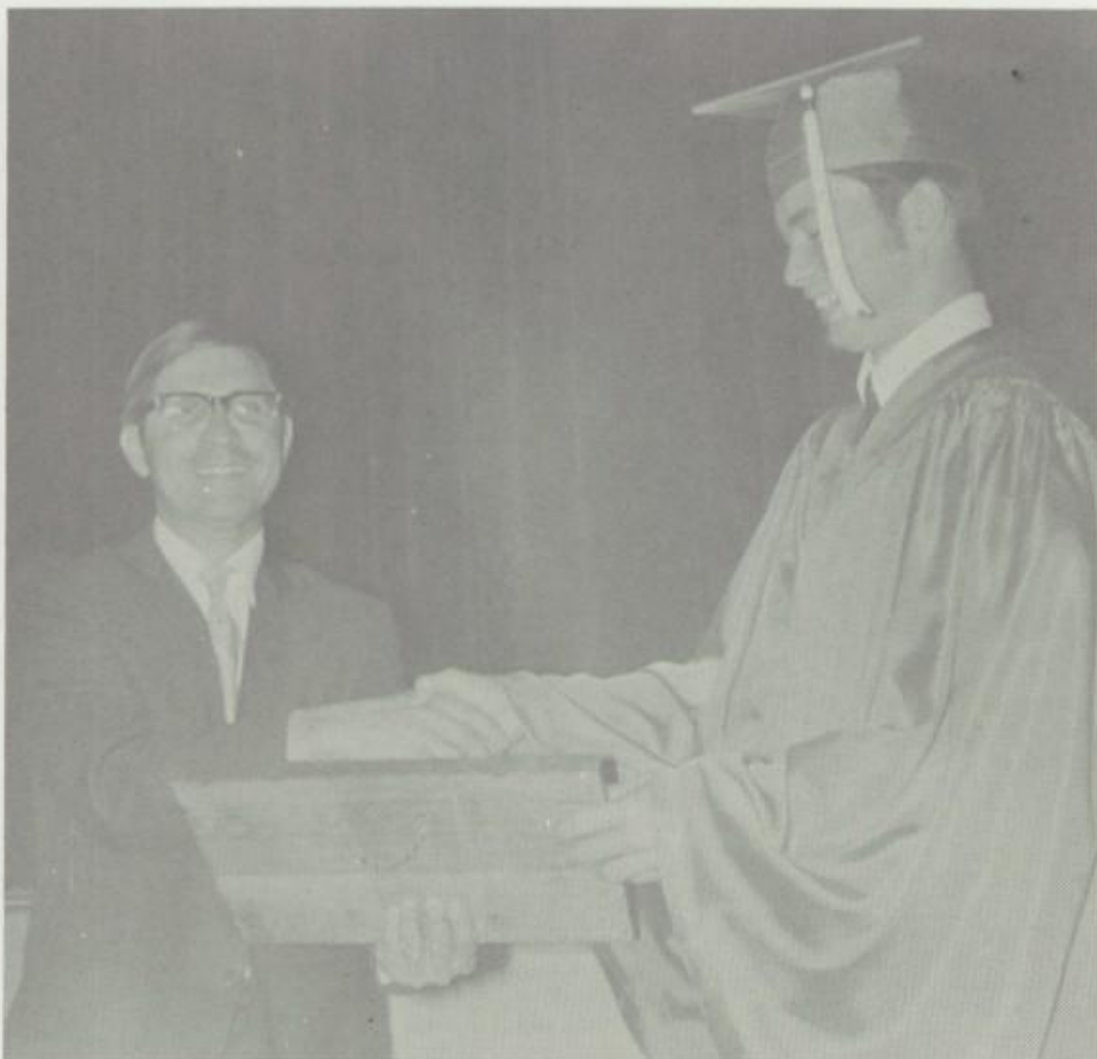

The gym was crowded with many proud relatives and friends as the class of 1970 made their final walk down the aisle.

Seniors Advance to Greater Expectations

Most valuable player awards were given to Herb Gaff for football, Jeff Schenher for basketball, Jerry Partin for track and the number one golfer award went to Dan Imbody. Tom Blackburn received the Lion's Club Sports Achievement Award which is awarded to a senior each year.

Study, Effort Make the Year Successful

Thirty-six students were given perfect attendance awards in grade 9 through 12. Many awards were given out for outstanding scholastic abilities such as: students making honor roll each grading period, top boy and girl student in each class, scholarship awards, and Purdue University certificates of recognition which were given to Pamela McCoy and Harriett Ross.

Presentations were also given by the American Legion which went to first place winners Tom Blackburn, Jann Egolf; runners up awards were given to Keith Targgart, Kenna Geiger and honorable mention awards went to Huey Hazen and DeLara Zolman.

Many music awards were given to outstanding students. The John Phillip Sousa Award was awarded to two outstanding band members, Marcia McEowen and Jodi Mathieu.

The officers of the Student Council for the '69-'70 school year were Pres. Huey Hazen; Vice-Pres. Keith Targgart; Sec. Mel Egolf and appointed secretary was Linda Hurst. The council added a Victory Pole to CHS for the basketball season. For each Eagle victory the opponent's mascot emblem was placed on the pole. A dress code committee decided upon a new set of rules for the dress code. The Council changed the rules for Homecoming and cheerleading tryouts. They have discussed many things which the student council hopes to change in the near future.

NHS—Students of Distinction

Take this flame of knowledge and enlighten the world.

Linda Hurst delivers NHS induction speech.

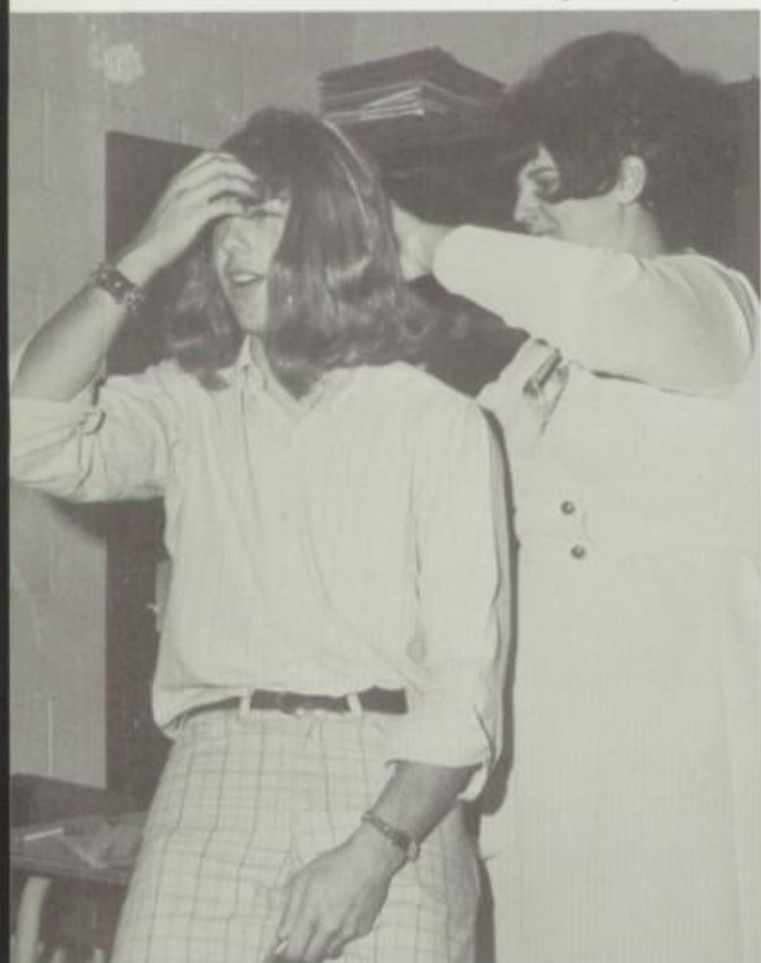

Thirteen students selected on a basis of character, scholarship, leadership, and service, were chosen to receive the school's highest honor, membership in the National Honor Society. The local chapter of NHS held its seventh induction before the student body and the parents of the new members. After the traditional ceremonial lectures, Keith Targgart read the rules and standards of NHS and led the new members in reciting the pledge. Then each new member received his Honor Society pin, a symbol which designates him as one of CHS's most outstanding students. This induction brought the club's membership to a new record of twenty-five.

Many mornings during the first period you could hear the band practicing their formations and drills in the gym. The band marched at several home basketball games at which they wore their newly purchased uniforms. The day the uniforms came the news went through the school like wild fire and everyone was excited about seeing them. Not many could wait until they could try their new uniform on. The band now has their new uniforms which can be worn marching or concert style. Much hard work went into the raising of funds for the new uniforms.

CHS EAGLE COUNTDOWN

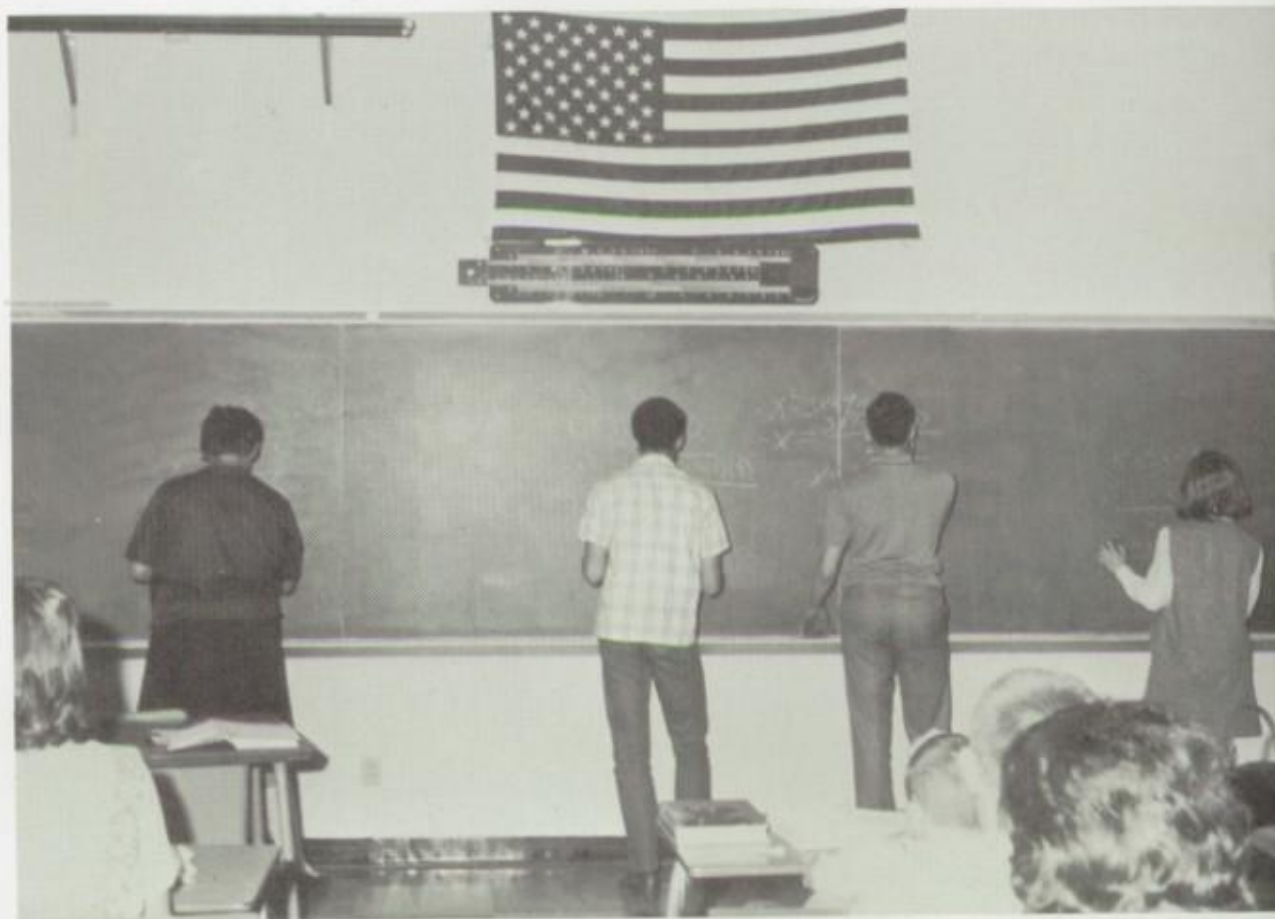

What is the height of the flagpole? Only the shadow knows for sure.

High Mathematics in Use

Freshman algebra students solve impossible equations using quadratic equations.

College algebra class finds the sextant useful in many different ways.

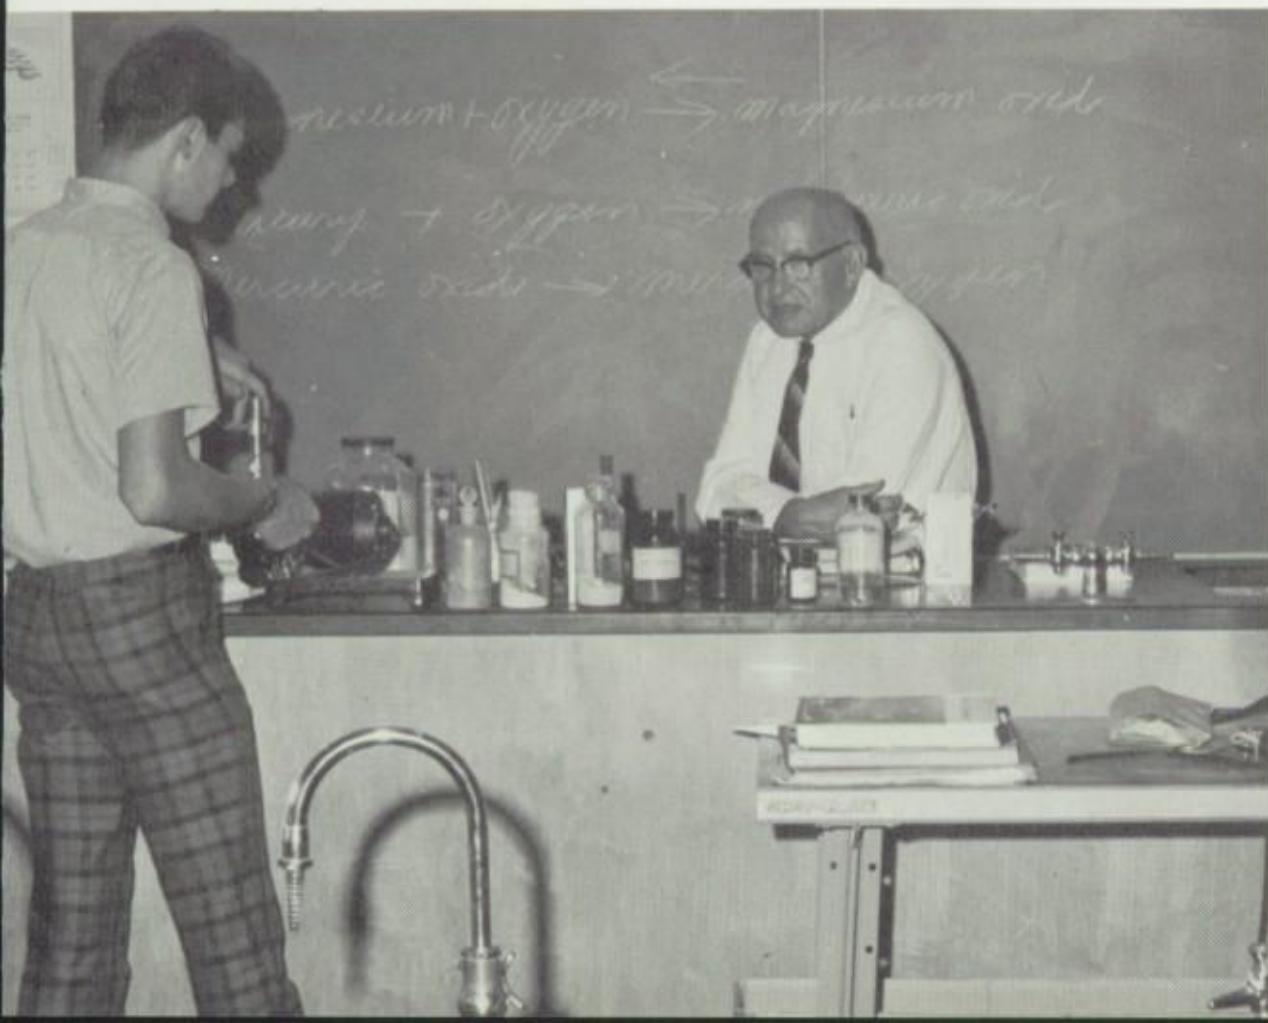

Keith Targgart, Kenna Geiger, and Mr. Black look on as Harriett Ross and Rick Bonar successfully complete another experiment.

Science—Field of Tomorrow

Taking one year of a science course is just one of the many requirements in school. The different science courses are Biology, Chemistry, Physics, Advanced Biology, Earth Science, and Electronics. Among the activities performed in the science classes are doing experiments and dissecting frogs.

John Cook and Steve Cassidy explore the microscopic world.

Jim Claxton and Rick Green begin cutting the skin on a dog-fish shark to expose the organs.

Mr. Black and Bob Powell discuss the fundamentals of electronics.

"Plenty of tears, but no feudin' in my hills," laughs Tony Willis as Laura Cassidy cries and Rick McConnell and Pat Richards look on.

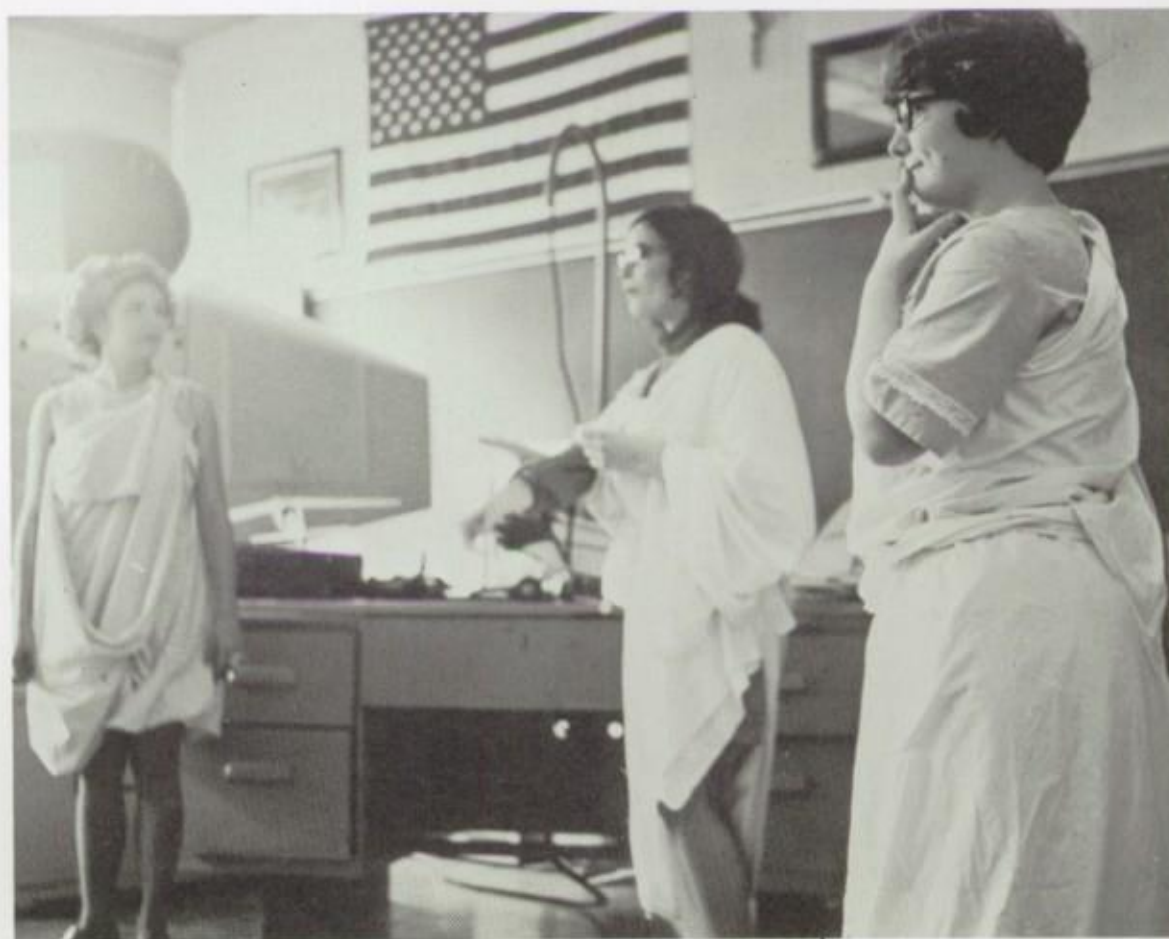

Larry Pence makes even animal cards interesting to the 6th period English class.

Speech, English—Voice of Today's Youth

Every student is required to have a major in English in order to graduate. One semester of grammar and one semester of literature are studied by underclassmen. Seniors who are college bound or just wish to broaden their knowledge are offered college preparatory English.

Speech is offered to all high school students, teaching them to organize their thoughts and express themselves accurately.

Above: "Live, Brutus! Live, Live!" exclaims Debbie Lamle, while Val Leitch and Susie Herron contemplate their lines.

Left: Having contact lenses isn't as simple as it seems to be as Connie Dafforn illustrates in her speech.

Lana Wakeman and Jean Peters gain knowledge and experience by working at Dana Corporations.

Co-op Offers Job Opportunities

Sandy Fulk who works at McCoys Real Estate discusses her work with her employer Jerry McCoy.

Richard Conley explains banking procedures to Ellen Mendenhall and Vicki Konger to acquaint them with their job.

JoAnn Honeywell cheerfully answers the telephone at the Churubusco Woodworking as one of her daily jobs.

Fifth period geography class study a map of the Roman Empire.

Mr. Coyle's first period World History class awakens to the discussion of World War I.

Deb Lamle points out the country of Chad on a map of Africa.

Gaining Knowledge of the Past

World history, and geography, two electives, and U.S. history, a requirement are taught by Mr. Coyle. Mr. Coyle's wild gestures and stories have a way of making the learning of the "when, where, and why" of wars and other historical events easier. Students come away from his classes with a working knowledge of World War I, World War II, maps, history in general, and of course football.

Mr. Coyle's U.S. History class seems to be very amused at what he has to say.

Rick Bonar's mind seems far away in deep thought.

"Hippy" Bill Haber tries to convince Jann Egolf to vote for his man in the political convention.

Government Informs Seniors of Democracy

Government classes were held second, fifth and sixth periods of the school day. Mr. Hackworth taught the second period class and Mr. Jones taught fifth and sixth period classes.

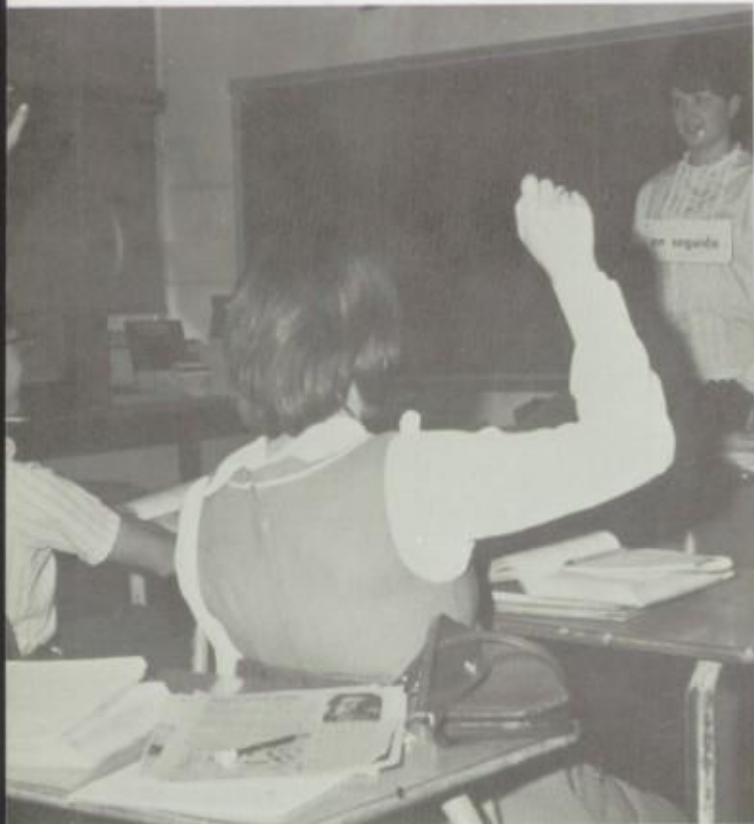

Current events were discussed each day which were taken from newspaper articles and the news on TV or radio.

Polls were taken from the classes on opinions of legalizing marijuana. Time was spent on the subject of hippies and society. Mr. Jones' class wrote to the state legislature and our congressmen about lowering the voting age to 18.

Several weeks were spent in each class in interpreting the Constitution.

Spanish way of life is alright. This is the impression one gets from the Spanish III class as they practice a siesta.

Which one now?

Languages—the Gateway to Foreign Cultures

Jeannette Hardacre answers a question in Latin II as Cliff Smith, Steve Goodyear and Dale Zeigler solemnly agree.

Spanish and Latin are the two foreign languages offered at CHS. Although they are not required courses, they are interesting and educational classes. Students learn to speak, write, translate, and read the language. The classes are small, making the atmosphere casual and learning easier. The work is serious, but they do have their lighter moments. Foreign language is definitely a boost for the students as well as the academic program.

Preparing for Tomorrow's Future

These Home Ec. girls seem to be interested in something. Could it be Sesame Street?

Mary Ann is very intent on completing her project.

Home Economics is usually taken by girls, grades 7-12, but may also be taken by boys in their senior year. This year Verne LaRue, Bob Shlater and Bill Haber took Family Living so it was a big success.

Home Economics meets five days a week for two semesters, with about twenty pupils in each class. Cooking, sewing, and home-management are just a few of the projects the pupils required to complete.

This year a fashion show was sponsored by Mrs. Baughman, in which the girls were chosen from grades 9-12. Each girl modeled one of the projects made in class.

Steve Lasier, Kevin Bricker, and Verne LaRue watch intently as the bench saw is explained to them.

Another Healthy Body Behind the Wheel

Ralph Killworth looks on as Dan Murphy demonstrates a half-nelson on Lyle Klemm.

All freshmen are required to take physical education. Mr. Delagrange teaches the boy's class and Miss Himes teaches the girl's class. They are taught the fundamentals of sports such as: basketball, tumbling, volleyball, and track. They also learn to develop coordination and unity.

Driver Education classes are given to all students who reach the age of 15 by June 1st. The classes are given during the summer months. Six hours are required behind the wheel where good driving techniques are taught.

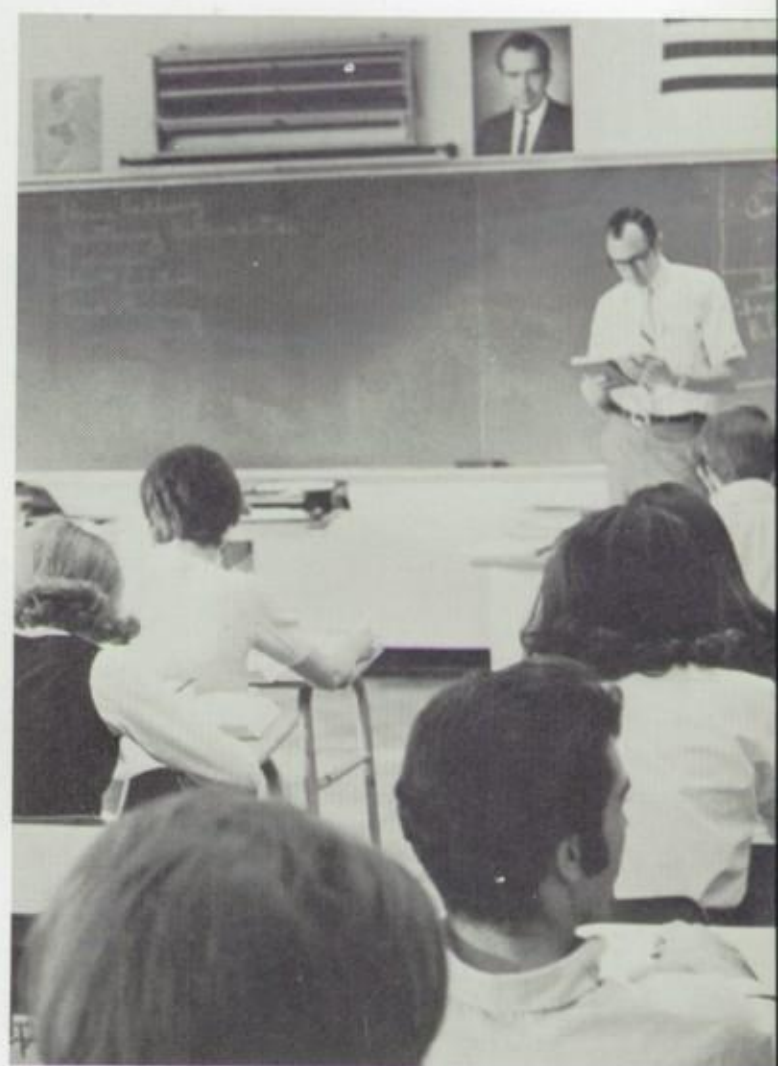

Michelle Jullerat and Sheila Fisher look on as Debbie Hanauer intercepts the ball.

Speakers from Chain of Lakes Youth Camp gave their opinions on today's youth.

Psychology, Sociology

Above: The students listen intently as Mr. Jones voices his ideas in Sociology class.

Right: Danny Ferguson tries to strike up a conversation with JoAnn Honeywell, but fails.

Ed McEowen practices with a microphone and headset used when flying a plane.

Race to Space With Aviation

A new subject, Aviation, was introduced into our curriculum this year. It meets everyday and can be taken by Juniors and Seniors. In the class students learn about the history of Aviation and the career opportunities offered in the field. Also this course made the students aware of the responsibility of flying. Aviation offers tremendous opportunities for young men and women.

Daryl Rapp rides in the link-trainer to prepare himself for flying in a real airplane.

Bob Powell puts finishing touches of paint on the link-trainer.

Donna Mendenhall, Shirley Patton, Becky Akers, Karen Moore, and Peggy Krider examine a model airplane that Karen brought in.

Health and Guidance Help Form New Habits

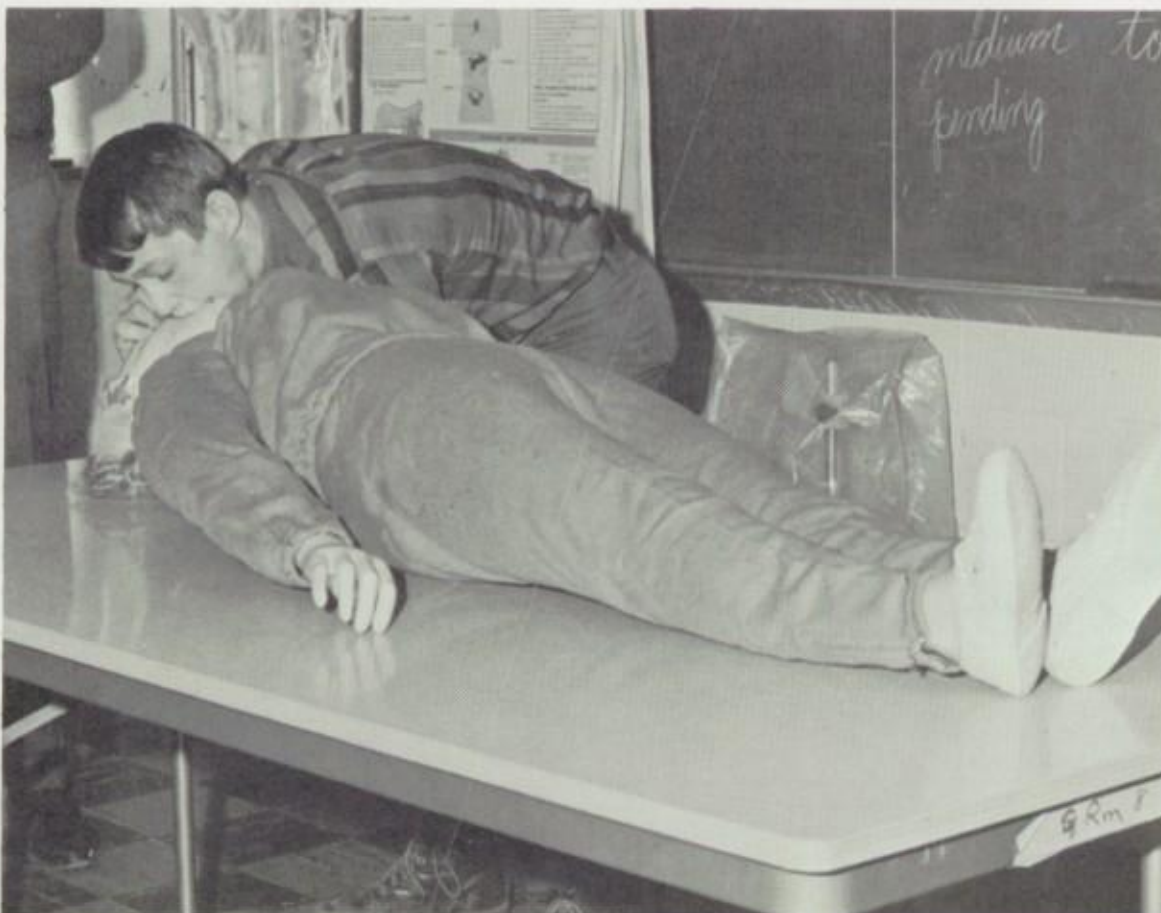

Boys from Chain-O-Chain Lakes Youth Camp speak to Mr. Jones's guidance class.

The health class seems to be fascinated with Mergatroid's bone structure.

Jeff Fahl demonstrates mouth-to-mouth resuscitation on Resusive Annie.

Mr. Arrowsmith, the sophomore health teacher, meets with 50 sophomores every day for one semester. They are learning the anatomy of the human body, first-aid, causes and symptoms of diseases, and not to chew gum in class.

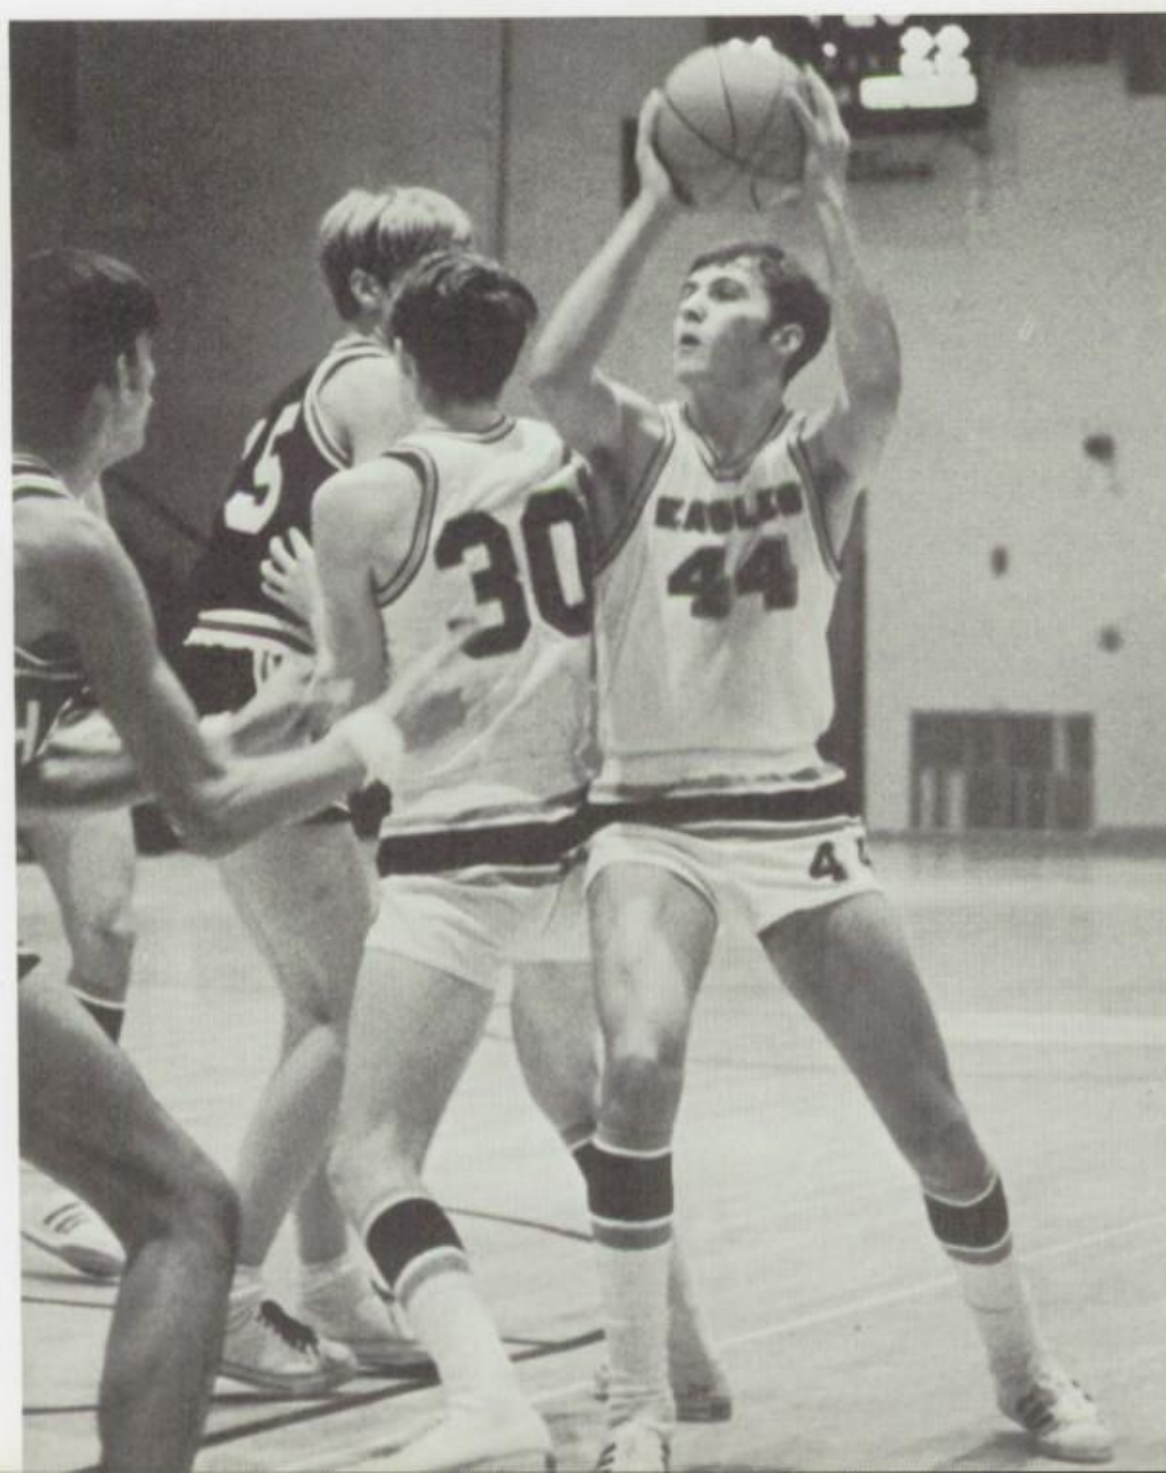

This year four sophomores Pen-nie Carson, Anne Zumbrun, Mel Egolf, and Terry Papenbrock attended a "Health Happening" at Indianapolis. Some of the subjects that were discussed were sex, drugs, and traffic safety.

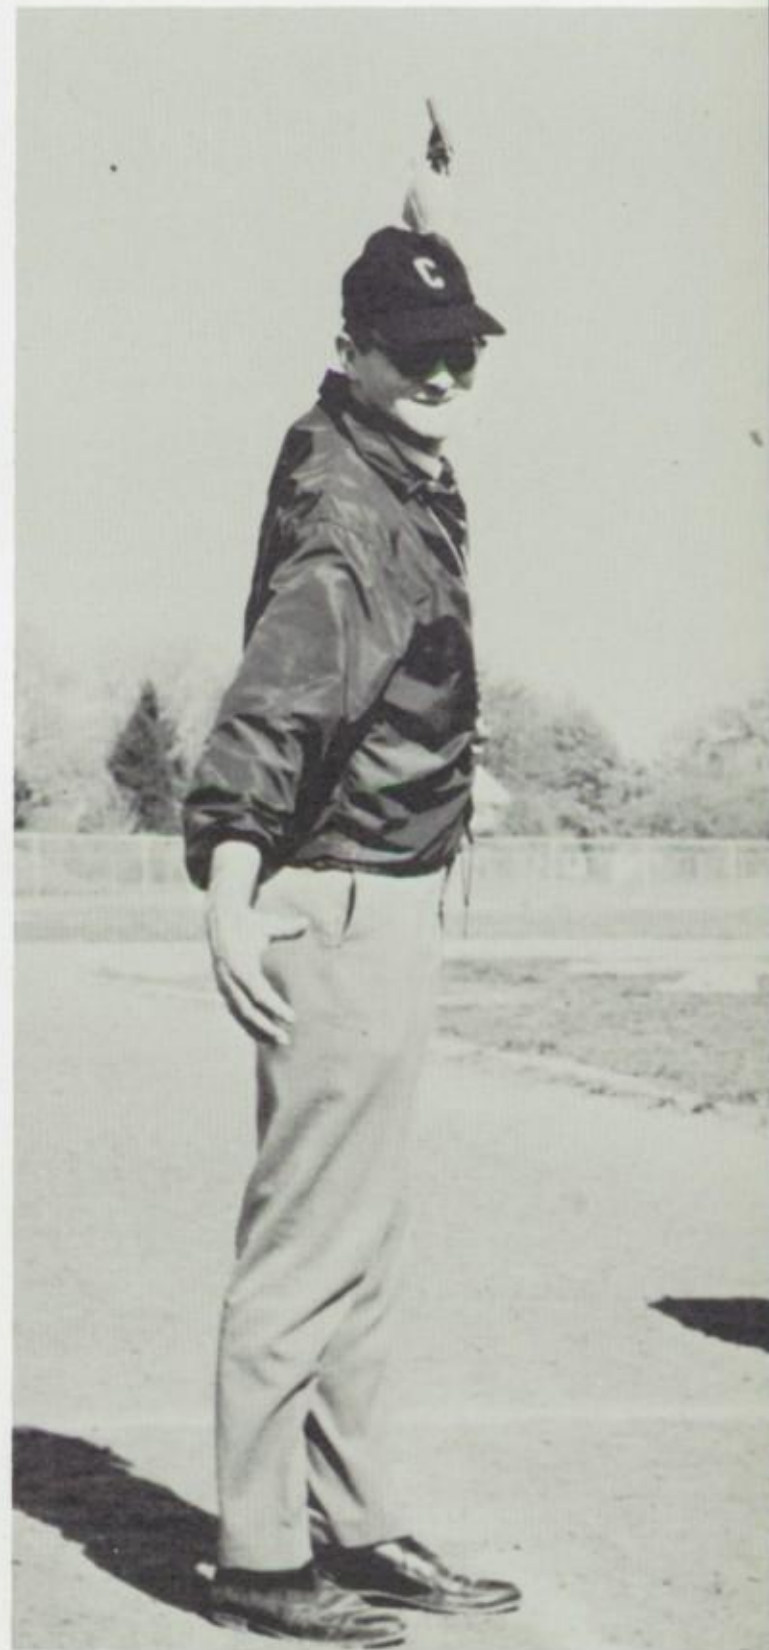

Mr. Jones, the sophomore guidance teacher, meets with 50 sophomores every day for one semester. The students learn about the many guidance and vocational problems and how to solve them.

This year Sergeant Meeks came in to talk to the students about the many different kinds of drugs and their effects.

Huey Hazen

The 1969 Varsity Football team got off to an exciting start with Mr. Jones as head coach and Mr. Coyle as assistant coach. The Eagles will never forget the outstanding game with Fremont which had a final score of 101-0. We also set a new school record for the most points scored during one game and established a new state record. Eagle spirit urged the players on by having a bonfire, decorating cars, pep sessions, and the donation of a decorated outhouse given the players by the seniors. The team ended the season with a 4-5 record. Churubusco prospects for next year look promising with 19 lettermen returning.

Huey Hazen thinks getting acquainted with the Lakers is a lot of fun.

Ending their 5-game season with one tie, one win, and three losses, the junior high football team displayed outstanding skills as a team. Although they won only one game, they scored against all the opponents with Gary Hooten averaging four and one half yards per carry. Leading the defense, Paul Merrill aided the team effort with his many assists and tackles.

Brad Dell and John Arehart proved their talents on the track by typing and setting several new speed records. At the A.C.A.C. meet the Eagles set a new 100-yard dash record along with the mile. But the track squad as a whole finished fifth out of 13 area schools with a 6-2 record.

The girls' sports went into action at the beginning of the school year. Basketball and softball were two sports that many girls were eager to participate in. They worked many hours together to develop teamwork and to increase their skills.

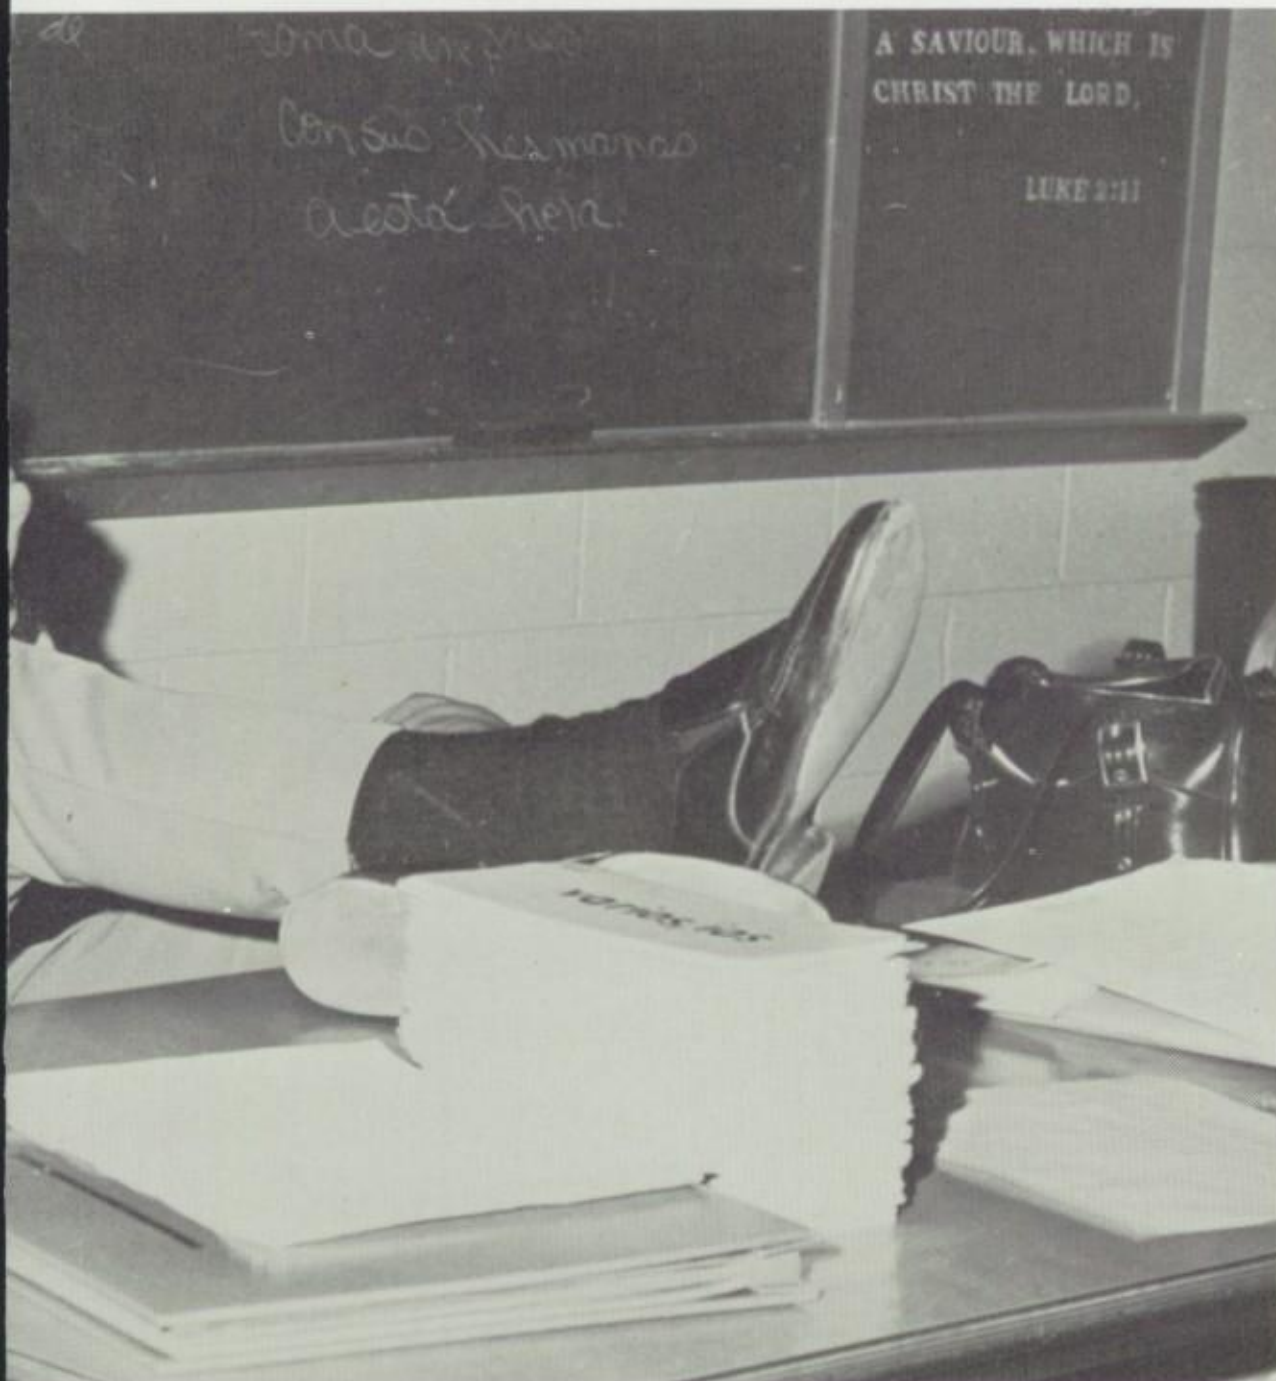

This year was the second year for basketball to be offered and they played many area schools. This gave the girls an opportunity to display their skills and gain sportsmanship in athletic competition.
